

Anvil Capital Portfolio Company Leahy Landscaping Completes Add-On Acquisition of North Shore Compost

April 29, 2022: Anvil Capital (www.anvilcap.com) announced today that its portfolio company Leahy Landscaping (www.leahylandscaping.com) has completed the acquisition of North Shore Compost, marking the fourth acquisition under the holding company of NE Landscape Holding.

Founded in 2009, North Shore Compost is a leading regional composting company with a service area primarily focused on the North Shore and Boston Metro areas. Matt Leahy, President of NE Landscape Holding, commented, "Adding composting capabilities to NE Landscape will further enhance our full-service capabilities as we continue to create Metro Boston's best-in-class landscape company."

Ben Giess, Managing Partner of Anvil Capital, said "We have built a great platform with all the resources and capital needed to execute multiple acquisitions. North Shore Compost is the third add-on acquisition since completing the initial base platform acquisition of Leahy in July 2019. We are actively seeking additional acquisitions of residential and commercial landscaping companies in the greater Boston and southern New Hampshire areas to accelerate our growth in the future."

NE Landscape Holding, through its subsidiaries of Leahy Landscaping and Lynch Landscape & Tree Service, is a full-service provider of best-in-class landscaping services to commercial, municipal and high-end residential customers throughout Massachusetts and southern New Hampshire. In addition to design, build, and maintenance offerings, the Company has specialized divisions in the areas of tree removal and pruning, plant healthcare, snow removal, and irrigation.
